

# **TRAUMA - FOCUSED COGNITIVE BEHAVIORAL THERAPY (TF-CBT) TRAINING**

## **Training Requirements (January 2018 – July 2018) Treatment Collaborative for Traumatized Youth (TCTY)**

### **As part of the 6 month training clinicians will receive:**

- Two days of training on TF-CBT (January 11 & 12, 2018)
- 10-12, 60-minute consultation phone calls with the trainers over the course of six months to review and discuss ongoing cases from the trainees
- Treatment materials, including the TF-CBT session guide, study materials, worksheets for clients and handouts to illustrate the concepts of TF-CBT
- CEU Credits for continuing education (approximately 10-12 hours)
- Certificate of completion as a TF-CBT Clinician

### **Attendees must be a MSW, LPC, LPCC, LICSW, LCSW, or Psychologist to participate in the TF-CBT training (Per fidelity to the training model) and must:**

1. Commit to and fully participate in the 6 month Learning Collaborative
2. Complete the TF-CBT Online Training before the end of the 6 month collaborative (Free CEU's)
3. Commit to using this evidence based practice to the full fidelity of the TF-CBT model
4. Attend the 2 day face-to-face training in Fargo, January 11 & 12, 2018
5. 100% attendance & participation in bi-weekly group consultation phone calls & fidelity follow up
6. Open cases during the six month consultation period (Certification is contingent upon participation and opening of 2 cases)
7. Completing pre & post-tests (TSCC, TSCYC, Demographics, Trauma Symptom Checklist) during the learning collaborative cases that meet the criteria for implementing TF-CBT
8. Agree to work with individuals who are between 4-18 years of age and have a caseload that is predominately with children and adolescents
9. Willing to accept trauma cases as part of their regular case load at their agency

**Training tuition for the TF-CBT Training is \$750.00**  
***If you fail to meet criteria 1 through 9 you will not be considered a certified/registered TF-CBT Clinician in the State of North Dakota.***  
***Please feel free to use the contact information below with any questions.***
