

honoring our roots **EMPOWERING FUTURES**

2026 TCTY TRAUMA CONFERENCE

To celebrate 20 years of the Treatment Collaborative for Traumatized Youth (TCTY), we are hosting a Trauma Conference that brings together clinicians, supervisors, and leaders to strengthen trauma-informed care and explore advanced applications of evidence-based trauma treatment.

Topics Include:

- Evolution & Impact of TF-CBT
- Strengthening Trauma Narration & Processing Skills
- Resiliency & Wellness
- Reflective Supervision
- Affirming & Culturally Responsive Trauma Care
- Addressing Problematic Sexual Behaviors in Youth
- Skills to Support Caregivers
- Engaging & Creative Applications
- Power of Belonging
- Enhancing Safety Through Conversations
